
Title: Guilty

Author:

Behind closed doors your
words ring hollow
What you said they'd be
What behavior? Who are
you, but I like it
Now I'm done with nothing
new, sometimes green
sometimes blue
And I'm guilty, and I'm
guilty, and I'm guilty, and
I'm guilty
And you're guilty too
Hey Hey Hey I'm guilty
and you're guilty too

Hey Hey Hey Hey
I'll tell you something,
something new
You're hearing nothing,
nothing true
You're killing me, I'm
killing you
And I'm guilty too
One two three, I found
you out so easily
One two three, I found in
you what I found in me
The time is wrong, the
time is right--be careful
who you kill tonight
And I'm melting, and I'm
melting, and I'm melting,
and I'm melting
And I'm melting in you
Hey Hey Hey I'm guilty
and you're guilty too

Hey Hey Hey Hey
One and one and one
makes three
One and one why don't
you see
I'm killing you, you're
killing me
Can't you set me free?

Inside out, I can't
what you do to me
Inside out, I cannot hide
it looking right through
me
Now I've reached the
living end, pointing fingers
to defend
And I'm guilty, and I'm
guilty, and I'm guilty, and
I'm guilty
And you're guilty too
I'll tell you something,
something new
You're hearing nothing,
nothing true
You're killing me, I'm
killing you
And I'm guilty too
